

Humanitarian Ministry Team 2012 Calendar of Events

Take a sneak peek at all the activities that the HMT will be sponsoring in 2012!!

Pick just a few, or pick several of the activities that you would like to participate in, as St. Mary continues to lend a helping hand to those in need here at home and around the world. The Food Pantry is a year-round project, so please watch the weekly bulletins for items that are needed. There will also be a display in the parish hall for depositing monetary donations. Volunteers are needed monthly for panel registration at the DUI Victims' Center. Contact Vicki Jones if you are interested in signing up to help. If you have any questions, or would like to become a member of this ministry team, please contact Helen Stitt.
